BRANDRETH'S PHAS. the expressions rich Blood, and poor Many have a scientific basis. The richards what many have attempted to cast on these country ase opinions, must recoil upon themselves as as that Truth will prevail

Brandreth's Pills. The effect of this celebrated medicine is to no blood; to convert the poor, corrupt blood healthy, rich blood. And it is because they do:

that they have been so steadily snight after he And it is because of the power Brandreth Palam now known to pussess as health restorers, that re ders them so popular.

They cure all affections, simply because it make the blood pure-abstract out of it there is ities which produce disease, and give to it the malities which produce health. Now every solid part of the human frame is mad from the blood, and the food we eat is conver into blood to supply the waste our bodies are c finally sustaining. So in the ordinary course tinually sustaining. So our entire builty in about 9 years from the tood taken into our stringers. Suppose years from the tood taken into our stringers. Suppose the blood made in this stomorh of our i oscillation impure, occasioned by some cause or other; it may refer to the preceding generation; no matter,
